The Waitlist deposit is \$100, and is required to officially join Mercury Standard Poodles Waitlist. The Puppy deposit is \$500, and is required after a litter is 2 weeks of age to reserve a puppy from that litter.

Client understands that puppies are not picked/assigned until they are approx. 8 weeks of age. The puppy deposit holds the Client's spot to receive a puppy from that litter.

- 1. **PUPPY SELECTION PERIOD.** Puppy Selection Period is for up to 48 hours after the litter has been evaluated. Clients will select a puppy from a list made available to them when the litter is approx. 8 weeks old. If Client fails to select a puppy from the Litter during the Selection Period then the Puppy Deposit will be moved to the next available litter. Puppy Deposits are non-refundable.
- 2. **PUPPY PICKS.** After the puppies are 8 weeks of age, Breeder will provide puppies for Client to choose from based off of temperament testing and what Client has described to the breeder as their "ideal dog."
- 3. **REFUND OF DEPOSIT.** Both the Waitlist Deposit and the Puppy Deposit are NON-REFUNDABLE. Clients may transfer the puppy deposit to another litter if available.
